All applications for the American College Foundation ("ACF") Visionary Scholarship Program will consist of: 1) a completed ACF Visionary Scholarship Application, 2) a copy of the student's most recent unofficial high school transcript, 3) a 500 word, typed, double-spaced essay. All components of the application must be received for a student to be eligible for an award. Applications are judged on the ability to follow guidelines (25%), grammar and punctuation (25%), and the merit of the written essay (50%). Applicants must be United States Citizens or Eligible Non-Citizens and may be asked to participate in a qualification interview as part of the application process to assist the ACF in ultimately determining the winners. Awards range from $1,000 - $5,000 each; with multiple winners to be selected. Each award is a non-renewable, one-time award and is to be used exclusively to offset costs and fees related directly to the student's first year of higher post-secondary education at an accredited institution of the student's choosing within the United States. Relatives of the American College Foundation Staff are NOT eligible to apply.
